

18th March 2020

Dear Crusaders parents, players and fans,

It is with regret that we must inform you that season has now officially ended. Although upsetting, we fully support Basketball England in their decision of this and you can read more about it specifically here (<https://www.basketballengland.co.uk/news/coronavirus-basketball-england-cancel-basketball-activity-for-remainder-of-201920-season/>). In line with this we will be stopping all club based activities (practices, games, events etc) until advised otherwise.

Unfortunately, this also includes all events and camps that we recently advertised:

- Coaches vs Parents Game
- Easter Camps
- End of Season Awards and 20th Anniversary Reunion Event

Regarding membership fees we would advise you to cancel your direct debit from April onwards. The cost of running a season is spread across the year and April would have been the last instalment of this. If you are in the position to continue supporting our club then any April payments made would be gratefully appreciated and go back into supporting the club in these uncertain times.

At this point we cannot advise when training and events will resume. We will continue to act on advice from Basketball England and the government to ensure the safety of all club members. Updates will be communicated via social media (Twitter/Facebook/Instagram @KentCrusadersBB) and email. If you are a member and would like to be added to the email list please email adam.davies@kentcrusaders.co.uk

Yours sincerely

Crusaders' Coaches
